- Kolkata : (033) 4021 3535/36
- Mumbai : (022) 3385 6200
- Chennai : (044) 3024 7200
- Hyderabad : (040) 2341 4398 / 67, 4567 1717

For other places, contact the nearest Regional / Branch / Area offices [customer.care@legrand.co.in](mailto:customer.care@legrand.co.in)

  
LIVE THE ADVANTAGE

THE GLOBAL SPECIALIST IN ELECTRICAL AND DIGITAL BUILDING INFRASTRUCTURES

**Ekinox**   
REINVENT THE NEW

CIN NUMBER- CIN U31909MH2010PTC206487  
CAT CODE: EB/1000/05/2016

  
LIVE THE ADVANTAGE

**Why**  
can't  
a distribution board  
get a second  
glance **?**

When it pays to  
**reinvent the new.**

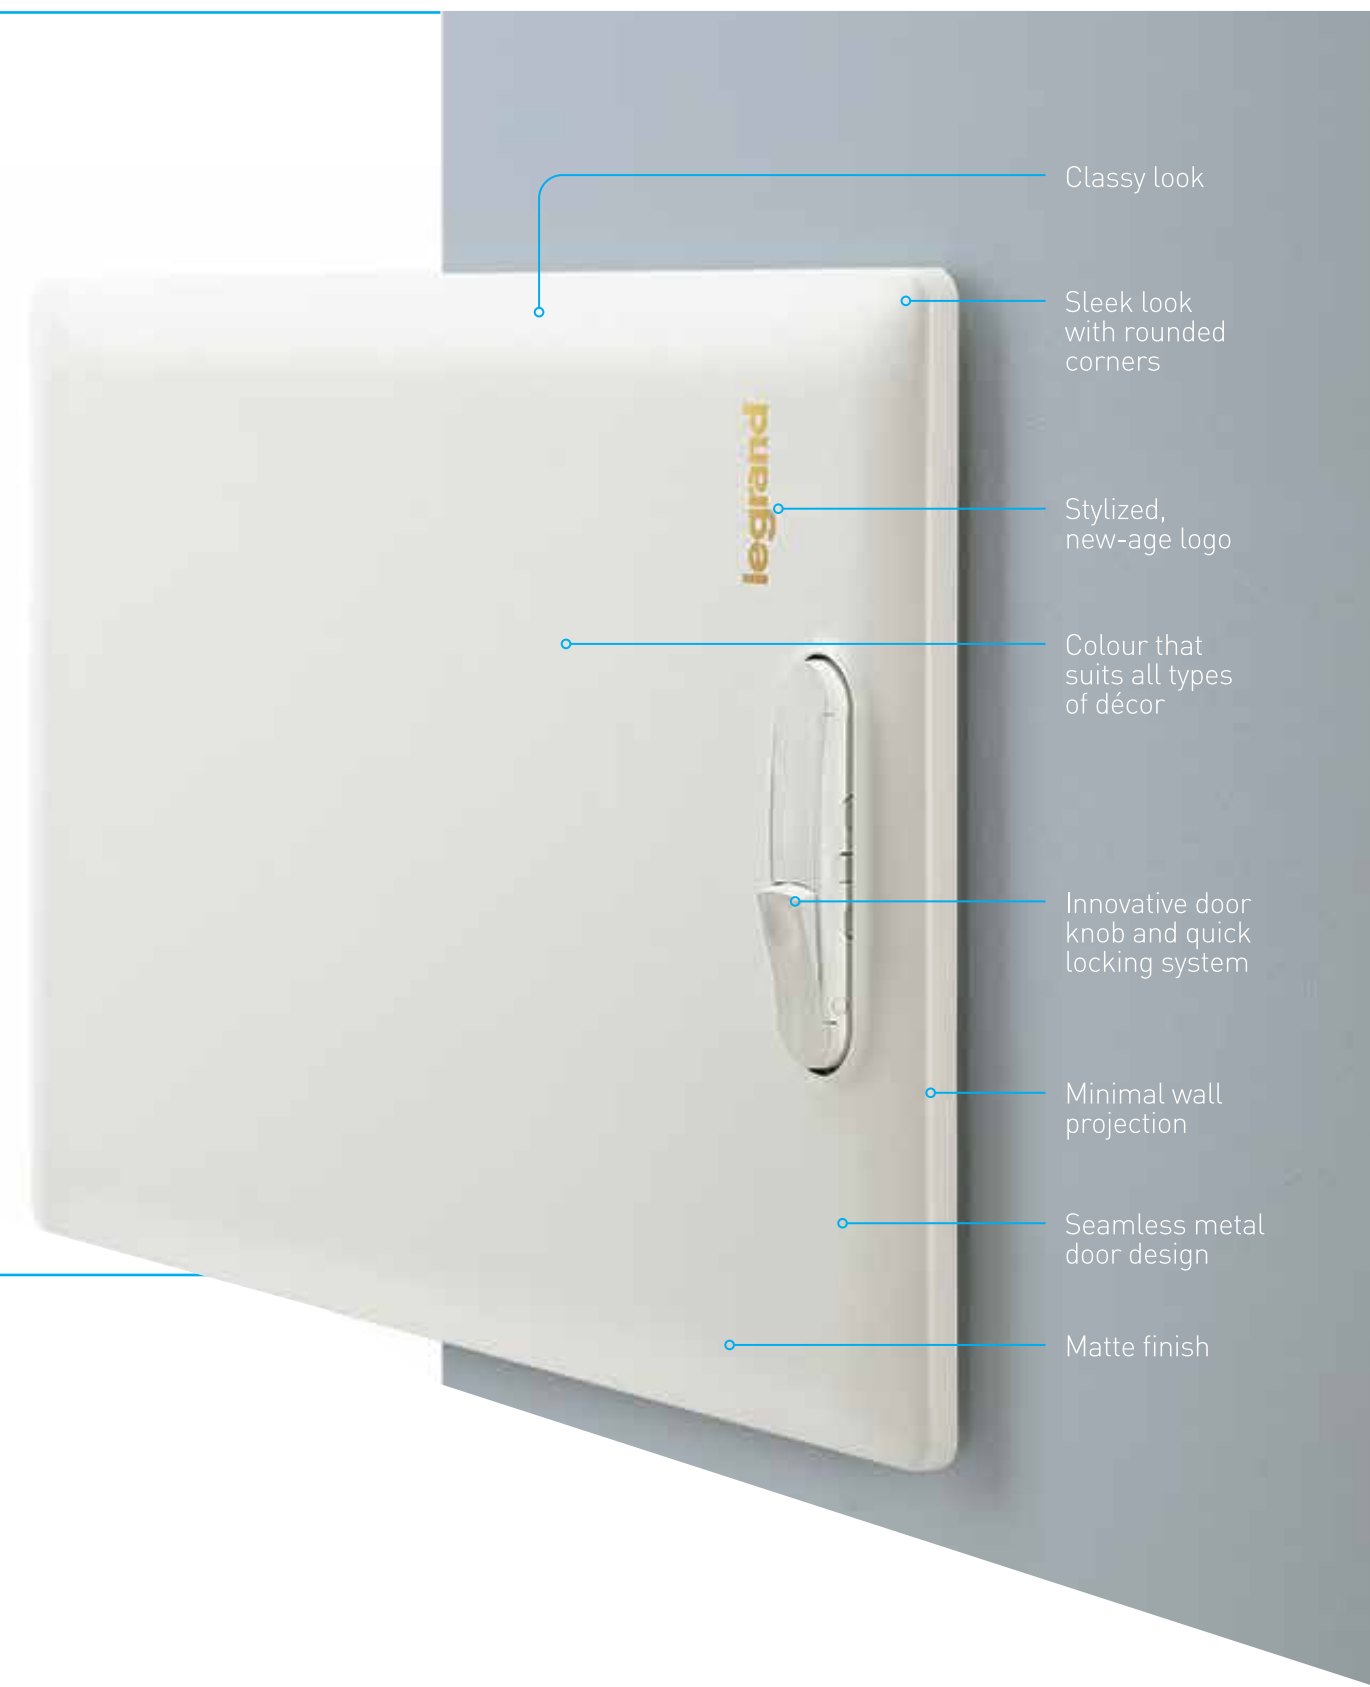

Presenting Ekinox<sup>3</sup>, the most advanced, smart and stylish innovation in distribution boards. This sleek and compact range is here to change the way distribution boards are perceived forever. Here, a classy, stylized finish joins modern, sophisticated shades; integrating it perfectly with any interior. Gone are the days when it was a fuddy-duddy piece, hidden in the corner of a wall.

**Here's how  
Ekinox<sup>3</sup>  
reinvented  
a traditional  
design**

**Why**  
should we  
always reinvent  
the old **?**

Classy look

Sleek look with rounded corners

Stylized, new-age logo

Colour that suits all types of décor

Innovative door knob and quick locking system

Minimal wall projection

Seamless metal door design

Matte finish

**Why**  
can't a  
distribution board  
help me sleep  
without worry?

# Here's how Ekinox<sup>3</sup> reinvented solutions for diverse spaces

When it comes to safety, nothing is too much. At Legrand, we have raised the bar to an unimaginable level. Ekinox<sup>3</sup> has been designed in accordance with IEC 61439-3, a stringent safety regulation which stands for maximum reliability and excellent safety potential.

# Here's how Ekinox<sup>3</sup> reinvented electrical safety

At Legrand, we've devised a variety of designs for Ekinox<sup>3</sup> which are suitable for different kinds of spaces.

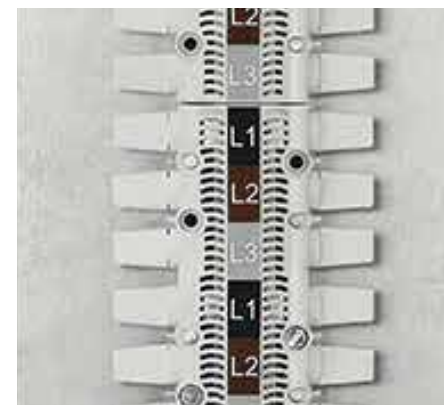

# Why can't there be a distribution board for every space?

Integrated earthing system in order to avert risky contact

Completely insulated bus bars guarantee safety from severe shocks

Plastic caps for complete insulation of unused connections

Shrouded neutral bars and insulated din rail for complete isolation

High-quality virgin CRCA sheet steel to cushion shocks

IK 08 for single door & IK 09 for double door

**Why**  
can't a  
distribution board  
be easy  
to maintain?

Here's how  
Ekinox<sup>3</sup> reinvented  
energy distribution

Ekinox<sup>3</sup> is an experience unlike any other. Imagine a distribution board built with incredible features which keep you away from the worry of constantly maintaining it. Ekinox<sup>3</sup> is designed to work as beautifully as it looks.

# Here's how Ekinox<sup>3</sup> reinvented maintenance needs

With Ekinox<sup>3</sup>, we've pushed best to a better level. While others have designed countless variations of distribution boards, no one has really understood the needs and complexities of projects with variable power requirements.

**Why**  
can't a  
single range of  
distribution boards  
work for all  
applications?

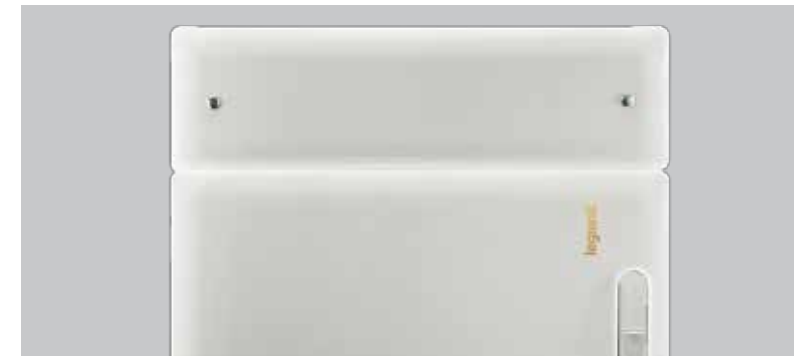

Reversible door can be easily removed

Normal lock convertible to key lock, so that it isn't tampered with

# Why can't installing a distribution board be easier?

Cable-end box and metering box can be mounted on the top or bottom

Quick fasteners for an everlasting hold

Easily removable knock-outs for cable glanding

Suitable for flush mounting and surface mounting

Colour-coded neutral bars for easy identification

2-in-1 packaging (with separate packing for door, shield and frame)

Separately packed wireset and bus bar

Nut inserts for longer installation life

Plastic plugs for mounting holes

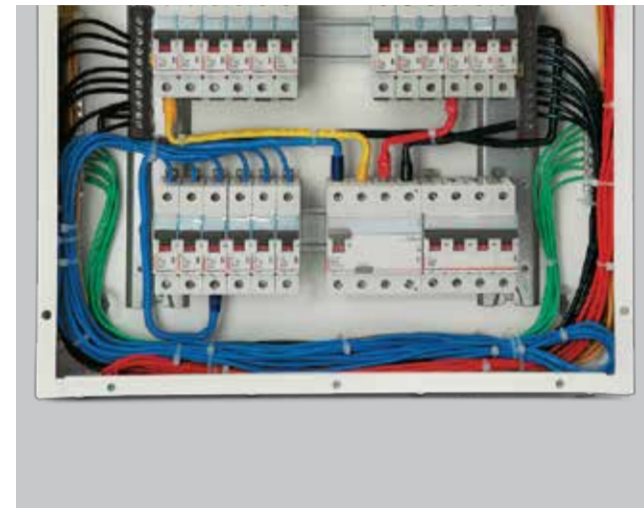

Improved IP30 protection for single door distribution boards

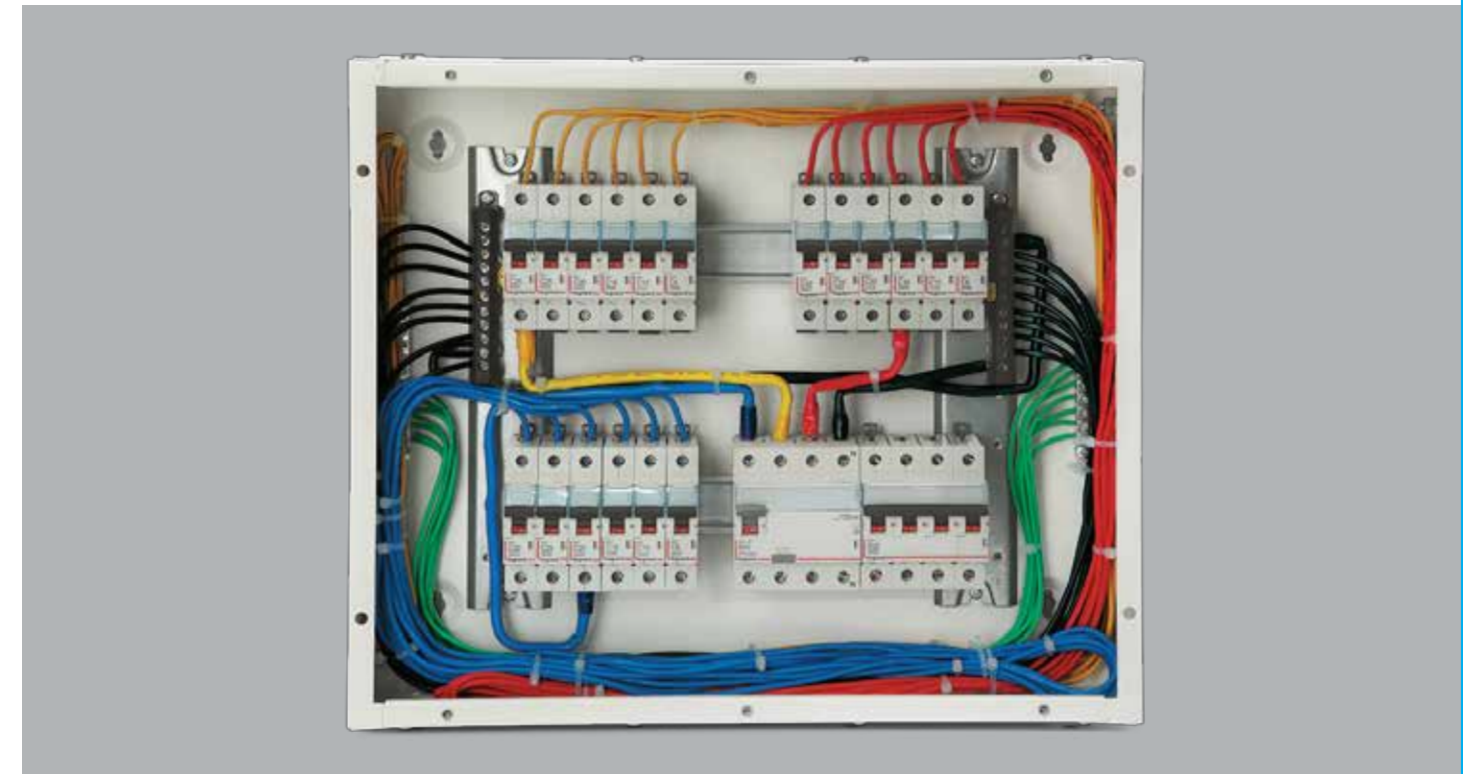

Metering box and cable-end box for additional space

Pre-fitted masking sheet to prevent foreign materials from entering during installation

Ample wiring space for easy and better wiring

True, innovation begins from within. At every possible level on the inside, Ekinox<sup>3</sup> has been engineered to make the user's life simpler with its ground-breaking installation features, providing easy and accessible wiring.

# Here's how Ekinox<sup>3</sup> reinvented functionality

Sleek and efficient  
pan assembly system

Stronger glazing plates to hold the cables

Visual anti-insertion facility  
to maintain IP protection

Plastic caps with a dual advantage of stopper &  
insulating bracket
